Brownless Biomedical Library

1 2 3 4

 The Medicine, Dentistry and Health Sciences (MDHS) Student Centre provides a range of services and support for students enrolled in Health Sciences programs within the Faculty as well as pathways advice for undergraduate students enrolled in the Biomedical Sciences (this includes Bachelor of Biomedicine students).

Student advisers will assist undergraduate, honours, higher degree coursework and research degree students with pathways advising (including prerequisites and admissions information) for honours and postgraduate courses (coursework and research). This includes course information for the new Doctor of Medicine, Doctor of Physiotherapy and Doctor of Dental Surgery degrees.
